National Intelligence Survey Committee

The Committee assists the USIB in carrying out its responsibilities for the NIS Program and is responsible to the USIB. The NIS Committee consists of a designated representative from the Department of State, the Central Intelligence Agency, the Defense Intelligence Agency, and the Departments of the Army, Navy, and Air Force. The CIA representative is the Director, OBCI, who is the permanent chairman of the Committee. Other departments and agencies may be invited to participate in the work of the NIS Committee as agreed by the Committee.

Interagency Map and Publication Acquisition Committee (IMPAC)

The Committee was established in 1947 and was previously named the Interagency Map Procurement Coordination Committee (IMPCC). It serves as a means of resolving collection problems and insuring coordination in the collection efforts. The Committee members represent all map agencies of the Government. With the merging of map collection and publication collection in the Department of State, in March 1966, the Committee was renamed. The Coordinator for Maps and Publications, INR/MP, Department of State, has chaired this Committee during the entire period.

Mapping, Charting, and Geodesy Working Group, COMIREX

The Working Group assists the COMIREX, a USIB Committee, in matters concerning mapping, charting, and geodesy; in the formulation and coordination of collection requirements. [REDACTED] GD/BGI, functions as the Agency representative and Deputy Chairman of the Working Group. Membership is composed of representatives from the Departments of the Army, Navy, and Air Force, the Central Intelligence Agency, the Defense Intelligence Agency, the National Security Agency, and other representatives as invited.
